

Publications

Journal Articles and Books

April 2006: Lareef Zubair and C.F. Ropelewski, The strengthening relationship between ENSO and the North-East Monsoon over Sri Lanka and Southern India, *Journal of Climate*, 19 (8): 1567–1575.

March 2006: Lareef Zubair, The predictability of Sri Lanka Climate based on ENSO, Lareef Zubair, under second review, *International Journal of Climatology*.

December 2005: Lareef Zubair and Janaki Chandimala, Epochal Changes in ENSO-Stream flow relations in Sri Lanka, in press, *Journal of Hydrometeorology*.

December 2005: Sarath Peiris, James Hansen and Lareef Zubair, Use of Seasonal Climate Information to Predict Coconut Production in Sri Lanka, *International Journal of Climatology*, provisionally accepted.

December 2005: Lareef Zubair, Modernization of Sri Lanka's Traditional Irrigation System and Sustainability, *Science, Technology and Society*, 10 (20): 161-195.

October 2005: Janaki Chandimala and Lareef Zubair, Predictability of Stream Flow and Rainfall for Water Resources Management in Sri Lanka based on ENSO, in second revision, *Journal of Hydrology*.

November 2004: May 2003 disaster in Sri Lanka and Cyclone 01-B in the Bay of Bengal, *Natural Hazards*, 33: 303-318, 2004.

July 2004: Lareef Zubair, Empowering the Vulnerable, *TIEMPO*, 52:3-6, University of East Anglia, UK, Also, highlighted in *SciDev.net* as “Communities facing climate change need local science.”

April 2004: Lareef Zubair, Towards Developing Weather and Climate Prediction for Sri Lanka, *Journal of the Institute of Engineers*, Sri Lanka, XXXVII, 2:53-58.

February 2004: Weather and Climate of Sri Lanka and Impacts and Adaptation: A Reference Guide, Natural Resources Management Services, Kandy, Sri Lanka.

September 2003: Lareef Zubair, Saving Weather Data , *TIEMPO*, 49:16-22, University of East Anglia, UK.

September 2003: Lareef Zubair, Sensitivity of Kelani Stream flow in Sri Lanka to ENSO, *Hydrological Processes*. 17 (12) 2439-2448.

July 2003: Lareef Zubair, U. Tennakone, Z. Yahiya, J. Chandimala & M.R.A. Siraj, What led to the May 2003: Floods?, *Journal of the Institute of Engineers*, Sri Lanka, XXXVI (3): 51 – 56.

January 2003: Lareef Zubair, ENSO influences on Mahaweli Stream flow in Sri Lanka, *International Journal of Climatology*. 23(1)91-102

January 2003: Lareef Zubair, S.C. Rao and T. Yamagata, An Indian Ocean Influence on the Sri Lankan Maha Rainfall, *Geophysical Research Letters*. 10 (2) 1063-1066.

May 2002: Lareef Zubair, Development of Meteorology in Sri Lanka, *Journal of the Institution of Engineers*, Sri Lanka. 15(2):14-18.

February 2002: Lareef Zubair, ENSO influences on Rice Production in Sri Lanka, *International Journal of Climatology*. 22 (2):249-260

September 2001: Lareef Zubair, Challenges to EIA in Sri Lanka, *Environmental Impact Assessment Review*. 21(5): 469-478

Conference Proceedings

March 2006: Lareef Zubair, Progress in Developing a Climate based Malaria Early Warning System in Sri Lanka, Climate Predictions and Applications Sciences Workshop, Tucson, Arizona, 21-24 March 2006.

February 2006: Lareef Zubair, Using Climate Information for River Basin Management in Sri Lanka, Invited Presentation, Annual Meeting of the American Meteorological Society, Atlanta, February 2, 2006.

January 2006: Lareef Zubair, Advances in Climate for River Basin Management, Mahaweli Authority of Sri Lanka, Headworks Administration and Operations Management Division, Digana, Sri Lanka, January 4, 2006.

June 2005: Lareef Zubair Climate Risk Management: Case Studies in Public Health, Natural Disasters and Renewable Energy, *Biennial Congress of the Association of Environmental Engineering and Science Professors*, Potsdam, New York.

March 2005: Lareef Zubair, Using Climate Information for Disaster Risk Identification in Sri Lanka, *Climate Prediction Applications Science Workshop* March 15-17, 2005, Palisades, New York.

December 2004: Lareef Zubair, Joshua Qian, Neil Ward, Ousmane Ndiaye, Janaki Chandimala, Ruvini Perera, Vidhura Ralapanawe and Benno Blumenthal, Complementary Dynamical and Statistical Downscaling from a GCM: Maha rainfall over Sri Lanka, *Annual Meeting of the American Geophysical Union*, San Francisco.

December 2004: Sarath Peiris, Lareef Zubair and C.H. Piyasiri, Forecasting National Coconut Production - A Novel Approach, *International Sri Lankan Statistical Conference*, Kandy, Sri Lanka, 28 – 30 December 2004.

December 2004: Lareef Zubair, Using Climate Information for Disaster Risk Identification in Sri Lanka, *Annual Meeting of the American Geophysical Union*, San Francisco.

November 2004: Janaki Chandimala and Lareef Zubair, Predictability of Stream flow and Rainfall in the Kelani river basin in Sri Lanka using ENSO, *International Conference on Sustainable Water Resources Management in the Changing Environment of the Monsoon Region*, United Nations University, Colombo, Sri Lanka.

November 2004: Downscaling of Sri Lanka's Maha Rainfall from a GCM and Indian Ocean Dipole and ENSO influences, *International Conference on Sustainable Water Resources Management in the Changing Environment of the Monsoon Region*, United Nations University, Colombo, Sri Lanka.

November 2004: Lareef Zubair with Upamala Tennakoon and Manjula Siriwardhana, Climate Change Assessments for Sri Lanka from Quality Evaluated Data, *International Conference on Sustainable Water Resources Management in the Changing Environment of the Monsoon Region*, United Nations University, Colombo, Sri Lanka.

November 2004: Lareef Zubair, Benno Blumenthal, Janaki Chandimala, Ousmane Ndiaye, Ruvini Perera, Vidhura Ralapanawe and Neil Ward, Downscaling of Sri Lanka's Maha Rainfall from a GCM, *International Conference on Sustainable Water Resources Management in the Changing Environment of the Monsoon Region*, United Nations University, Colombo, Sri Lanka.

November 2004: Lareef Zubair, Kusalika Ariyaratne, Irugal Bandara, Heli Bulathsinhala, Janaki Chandimala, Manjula Siriwardhana and Upamala Tennakoon, Climate Change Assessments for Sri Lanka from Quality Evaluated Data, *International Conference on Sustainable Water Resources Management in the Changing Environment of the Monsoon Region*, United Nations University, Colombo, Sri Lanka.

July 2004: Lareef Zubair, Weather, Climate Variability and Climate Change, *Workshop Report, Synthesis Workshop on Climate Variability*, Climate Change and Health in Small-Island States, pages 13-14, World Health Organization, Bandos, Maldives

May 2004: Joshua Qian and Lareef Zubair, High-resolution dynamic regional climate downscaling over Sri Lanka, *10th Asian Congress of Fluid Mechanics*, Peradeniya, Sri Lanka.

May 2004: Lareef Zubair and Ajith Gunaratne, Wind Climatologies From A Mass-Consistent Wind Model For Sri Lanka, *10th Asian Congress of Fluid Mechanics*, Peradeniya, Sri Lanka.

October 2003: Vidhura Ralapanawe and Lareef Zubair, Assessment of High-Risk Natural Disaster Hotspots of Sri Lanka, *2003 Open Meeting of the Human Dimensions of Global Environmental Change Research Community*, Montreal, Canada.

June 2003: Lareef Zubair, Ruvini Perera and Herath Mathrithillake, Using Climate Information for Mahaweli river basin management, *World Water and Environmental Resources Congress 2003*, Philadelphia.

December 2002: with Heli Bulathsinhala, Quality Evaluation of Mean Historical Temperature Data in Sri Lanka, *Sri Lanka Association for the Advancement of Science, 58th Annual Sessions*, University of Colombo, Colombo, Sri Lanka.

October 2001: Lareef Zubair, Seasonal stream flow predictions from sea surface temperatures: Application to Mahaweli river in Sri Lanka, *National Oceanic and Atmospheric Agency 26th Climate Diagnostics Workshop*, San Diego, California.

October 2000: Lareef Zubair, A dynamical model for orographic rainfall in monsoonal Sri Lanka, *National Oceanic and Atmospheric Agency 25th Climate Diagnostics Workshop*, New York 25:305-308.

December 1999: Gunaratne, A.U.K. and Lareef Zubair, A mass consistent wind model for Sri Lanka, *Proceedings of the 8th Asian Fluid Dynamics Congress*, Shenzhen, China 8:817-820.

November 1999: Ramesh Aloysius and Lareef Zubair, Modelling of Irrigation Networks: Udawalawe in Sri Lanka, *Jubilee Congress of the Asian Institute for Technology*, Bangkok, Thailand, 1999, IV: 91-100, with R. Aloysius.

Project Reports

June 2006: Lareef Zubair, Ralapanawe V., Tennakone, U., Yahiya, Z., and Perera, R., Natural Disaster Risks in Sri Lanka: Mapping Hazards and Risk Hotspots, Chapter 4, in Eds: Margaret Arnold, Robert Chen, Uwe Deichmann, Maxx Dilley and Arthur Lerner-Lam, Randolph E. Pullen, Zoe Trohanis, Natural Disaster Hotspots Case Studies, Washington, DC: World Bank 2006.

June 2005: Lareef Zubair (PI), Kusalika Ariyaratne, Irugal Bandara, Heli Bulathsinhala, Janaki Chandimala, M.R.A. Siraj, Manjula Siriwardhana, Upamala Tennakoon and Zeenas Yahiya, Current Climate and Climate Change Assessments for Coconut and Tea Plantations in Sri Lanka, *AIACC/FECT report*, Submitted to IRI.

June 2005: Lareef Zubair and Olivier Briet, Climate and Malaria, Year 2 Project Report on Progress, submitted to NOAA, OGP.

May 2005: Stacey Hirsh, Characterization of NDVI data over Sri Lanka and its relationship with climate, in draft form.

March 2005: Lareef Zubair, Benno Blumenthal, Ousmane Ndiaye, Ruvini Perera, Neil Ward, Janaki Chandimala, Vidhura Ralapanawe, Upamala Tennakoon, M.R.A. Siraj, Zeenas Yahiya, H. Manthrithillake, W.L. Hendawitharna, Evaluation of Climate and Habitat Interactions Affecting the conservation and management of Asian Elephants in Southeast Sri Lanka, *Submitted to IRI*.

February 2005: Lareef Zubair, Vidhura Ralapanawe, Upamala Tennakoon, Ruvini Perera, Fine Scale Natural Hazard Risk and Vulnerability Identification Identified by Climate, Submitted to IRI.

June 2004: Lareef Zubair and Olivier Briet, Climate and Malaria, Year 1 Project Report on Progress, submitted to NOAA, OGP.

March 2003: Lareef Zubair, Vidhura Ralapanawe, Upamala Tennakoon and Ruvini Perera, Contributions to the Disasters Section of the National Atlas of Sri Lanka, forthcoming, 2nd Edition.

Technical Reports

December 2005: Manjula Siriwardhana, Janaki Chandimala, Siraj Razick, Upamala Tennakoon, Zeenas Yahiya and Lareef Zubair, *FECT Technical Report -7*, 2005, Quality evaluation of diurnal temperature range in Sri Lanka.

November 2005: Janaki Chandimala and Lareef Zubair, *FECT Technical Report-6*, Construction of rainfall indexes for the Kelani Catchment.

September 2005, Janaki Chandimala, Upamala Tennakoon and Lareef Zubair, *FECT Technical Report-5*, Topographically informed interpolation of temperature in Sri Lanka.

July 2005: Irugal Bandara, Kusalika Ariyaratne, Janaki Chandimala, Siraj Razick, Manjula Siriwardhana, Upamala Tennakoon, Zeenas Yahiya and Lareef Zubair, *FECT Technical Report-4*, Quality evaluation of historical maximum and minimum temperature data in the agro-meteorological stations in Sri Lanka.

May 2005: Manjula Siriwardhana, Heli Bulathsinhala, Kusalika Ariyaratna, Irugal Bandara, Janaki Chandimala, Siraj Razick, Upamala Tennakoon, Zeenas Yahiya and Lareef Zubair, *FECT Technical Report-3*, 2004, Quality Evaluation of Historical Rainfall Data in Sri Lanka.

December 2004: Manjula Siriwardhana, Kusalika Ariyaratne, Irugal Bandara, Heli Bulathsinhala, Janaki Chandimala, Siraj Razick, Upamala Tennakoon, Zeenas Yahiya and Lareef Zubair, *FECT Technical Report-2*, Quality evaluation of historical maximum and minimum temperature data in Sri Lanka.

November 2004: Heli Bulathsinhala, Manjula Siriwardhana, Kusalika Ariyaratne, Irugal Bandara, Janaki Chandimala, Siraj Razick, Upamala Tennakoon, Zeenas Yahiya and Lareef Zubair, *FECT Technical Report-1*, 2004, Quality evaluation of historical mean temperature data in Sri Lanka.

Unpublished Reports

June 2006: Manjula Siriwardhana, Yoosuf Ashraj, and Lareef Zubair, Malaria Incidence over the 19th and 20th centuries in Sri Lanka, in preparation.

June 2006: Upamala Tennakoon, Hyemin Yang, Manjula Siriwardhana, Zeenas Yahiya and Lareef Zubair, Monthly maps of average malaria incidence in Sri Lanka by district and MOH division, in preparation.

June 2006: Upamala Tennakoon, Zeenas Yahiya, Manjula Siriwardhana, Yoosuf Ashraj, Siraj Razick. and Lareef Zubair, Spatial Atlas of Malaria Incidence in the Uva Province.

June 2006: Hyemin Yang, Gawrie Galapaththy, Stephen Connor and Lareef Zubair, Association between ENSO and Malaria epidemics in Sri Lanka.

November 2005: Janaki Chandimala and Lareef Zubair, Land surface model implementation for a catchment in the Uva.

May 2005: Stacey Hirsh, Characterization of NDVI data over Sri Lanka and its relationship with climate, in draft form.

April 2004: Zeenas Yahiya and Lareef Zubair, Compilation of Presentations at the inaugural meeting of the Climate and Malaria Project, Passara, Badulla.

March 2003: Lareef Zubair, Zeenas Yahiya, Vidura Ralapanawa, Cyclone Hazards and Response in Sri Lanka, FECT report

February 2001: Lareef Zubair, Skill Assessment of IRI predictions over South Asia, IRI internal report.

Presentations

March 2006: Lareef Zubair, Progress in Developing a Climate based Malaria Early Warning System in Sri Lanka, *Climate Predictions and Applications Sciences Workshop, Tucson, Arizona, 21-24 March 2006.*

February 2006: Lareef Zubair, Using Climate Information for River Basin Management in Sri Lanka, *Invited Presentation, Annual Meeting of the American Meteorological Society, Atlanta, February 2, 2006.*

January 2006: Lareef Zubair, Advances in Climate Sciences for Mahaweli River Basin Management, *Head works Divisions, Mahaweli Authority, Digana.*

December 2005: Lareef Zubair, Presentation to *Centre for Research and Conservation, Peradeniya, Sri Lanka.*

November 2005: Lareef Zubair, Predictability of Climate around Sri Lanka and its Applications, *Global Modeling and Assimilation Office, National Aeronautical and Space Agency, Greenbelt, Maryland.*

March 2005: Lareef Zubair, Using Climate Information for Disaster Risk Identification in Sri Lanka, *Climate Prediction Applications Science Workshop March 15-17, 2005, Palisades, New York.*

December 2004: Lareef Zubair, Presentation to the *Environment and Forest Conservation Division of the Sri Lanka Mahaweli Authority (in Sinhala), Polgolla.*

November 2004: Climate Information for Mahaweli River Basin Management, *Head works Divisions, Mahaweli Authority, Digana.*

November 2004: Lareef Zubair and Zeenas Yahiya, Personal presentation to Director (P. Kariyawasam) and Sociologist (Hendawitharana), *Sri Lanka Department of Wildlife Conservation, Colombo 7.*

October 2004: Lareef Zubair, Climate and Endangered: Humans and Elephants in Sri Lanka, *Open House, Lamont Doherty Earth Observatory, Palisades.*

December 2003: Lareef Zubair, Workshop on the Climate of Sri Lanka and Climate Applications for staff of the *Headworks division of the Mahaweli Authority and the Central Engineering Consultancy Bureau at Digana, Sri Lanka,*

October 2003: Vidhura Ralapanawe and Lareef Zubair, Assessment of High-Risk Natural Disaster Hotspots of Sri Lanka, *2003 Open Meeting of the Human Dimensions of Global Environmental Change Research Community, Montreal, Canada.*

March 2003: Lareef Zubair, Applications of Seasonal Climate Predictions, *National Water Resources Authority (Interim), Colombo.*

March 2003: Lareef Zubair, Applications of Seasonal Climate Predictions, *University of Peradeniya, Kandy.*

January 2003: Lareef Zubair, Climate Prediction for Water Resources Management in Sri Lanka, *Office of the Minister of Water Resources and Irrigation, Colombo.*

January 2003: Lareef Zubair, Seasonal Climate Predictions and its Applications in Sri Lanka, *International Water Management Institute, Colombo.*

December 2002: Lareef Zubair, Climate Predictions for Mahaweli River Basin Management, *Mahaweli Authority of Sri Lanka, Colombo, Sri Lanka.*

December 2002: Lareef Zubair, Climate Predictions for Sri Lanka, *Center for Environmental Studies, University of Peradeniya, Peradeniya, Sri Lanka.*

October 2002: Lareef Zubair, El Nino's impacts half a world away: Stories from Southern Asia, *Lamont Doherty Earth Observatory Open House, Palisades.*

July 2002: Lareef Zubair, The Impact of Oceans on the Climate of Sri Lanka, *University of Peradeniya*, Sri Lanka.

July 2002: Lareef Zubair, Review of IRI-MASL projects and plans for the future, *Environment and Forestry Division, Mahaweli Authority of Sri Lanka*.

May 2002: Lareef Zubair, Climate Change, Climate Variability and Water Resources, *School of Engineering, Tokyo University, Japan*.

May 2002: Lareef Zubair, Climate Change, Climate Variability and Water Resources, *Frontier Research System for Global Change, Yokohama, Japan*.

April 2002: Lareef Zubair, Application of Climate Information and Prediction, *Frontier Research System for Global Change, Yokohama, Japan*.

February 2002: Lareef Zubair, Developing Climate Prediction for Sri Lanka, *Sri Lanka Association for the Advancement of Science, Sri Lanka*.

January 2002: Lareef Zubair, Exercises in Mesoscale Climate Modelling for Sri Lanka, *Department of Meteorology, Colombo, Sri Lanka*.

January 2002: Lareef Zubair, Lessons from the Last ENSO in Sri Lanka, *Department of Meteorology, Colombo, Sri Lanka*.

January 2002: Lareef Zubair, IRI and Global Databases and Internet based climate resources, *Department of Meteorology, Colombo, Sri Lanka*.

November 2001: Lareef Zubair, Mahaweli Project, *Presentation to Taiwanese Delegation Visiting IRI, Palisades*.

October 2001: Lareef Zubair, Seasonal stream flow predictions from sea surface temperatures, *26th Climate Diagnostics Workshop, San Diego, CA*

March 2001: Lareef Zubair, Sri Lanka Water Resources Project, *International Scientific and Technical Advisory Committee of the International Research Institute, Palisades, New York*.

January 2001: Lareef Zubair, IRI Water Resources Applications Project in Sri Lanka, *NOAA Office of Global Programs, Silver Spring, Maryland*.

August 2000: Lareef Zubair, Climate Prediction for Water Resources Management, *International Water Management Institute, Colombo, Sri Lanka*.

August 2000: Lareef Zubair, Climate and its Prediction in the Mahaweli Basin, *Environment and Forest Conservation Division, Mahaweli Authority of Sri Lanka, Sri Lanka*.

August 2000: Lareef Zubair, Climate Prediction for the Mahaweli, *Water Management Secretariat, Mahaweli Authority of Sri Lanka, Sri Lanka*.

August 2000: Lareef Zubair, Climate Prediction for Water Management, *Department of Irrigation, Colombo, Sri Lanka*.

August 2000: Lareef Zubair, Climate Prediction for Sri Lanka, *Institute of Engineers, Sri Lanka*.
