

Use of Scholarship for Social Welfare
and Environmental Sustainability

DISASTER SERVICES CENTRE

The Disaster Services Centre (DSC) provides services for risk management and recovery. Initially, we shall assist those affected by the mob violence that took place in Digana and the surrounding areas in March 2018

ABOUT THE CENTRE

Our office is in an accessible location in Kengalla, Digana. A small staff at this office shall be supported by the larger staff of Federation for Environment Climate and Technology (FECT) and Tropical Climate (TC). The Centre has IT, administration, counselling and small meeting spaces.

HOW TO GET INVOLVED

We need Volunteers for;

- o Counselling children and affected youth
- o IT assistance
- o Documentation and Translation services
- o Data and Information collection
- o Coordination in relief
