

Directions to the Geography Department of the University of Peradeniya from Kandy Town:-

#### GAMPOLA ROAD

Take the Gampola bus near the main post office in Kandy. After Peradeniya, get off at the "Akbar Hall" which is alongside the Engineering Faculty (after the first speed bump on the road). Walk (away from Akbar Hall) across the Mahaweli on the concrete bridge – the Geography Department is the first building directly in front of the bridge.

Or

#### GALAHA ROAD

Take the Mahakanda, Sarasavi Uyana (bus halts are close to the D.S. Senanayake Library) , Doluwa (bus halt near the Clock Tower) or Deltota (Goodshed) bus which runs on the Galaha road through the University. Get off at the Arts Theatre bus halt just past the University grounds. Cross the road and walk all the way through the path with the tall palm trees that lead to the Geography Department.

Or

Take a bus from the Kandy town that runs down the Peradeniya road or Sir William Gopallawa Mawatha. Passing the Dangolla junction proceed about 2 Km. After passing the Peradeniya Botanical Gardens get-off from the bus at the Galaha Junction. As you turn in through the 'Galaha' junction at Peradeniya, the road leads to the University of Peradeniya. Walk about 75 -100 metres down the Galaha Road. Passing the Medical Faculty, the Science Faculty and the students' halls of residence on either side of the road, at the roundabout you will come across the university grounds. Close to the grounds passing the small white bridge there is a path on to the right side of the road with tall palm trees that leads to the Geography Department of the University of Peradeniya.

Buses that take the above route:- Peradeniya, Panideniya, Pilimathalawa (bus halts close to the D.S. Senanayake Library)

Directions to the Geography Department of the University of Peradeniya from Katugastota:-

From Katugastota town take the Gohagoda road up to Gannoruwa road. Turn to left and proceed to the roundabout and turn to right and proceed towards Peradeniya and turn left on Galaha Road. After about half a km you shall pass the University grounds. Soon after turn right (Arts Faculty sign is here) to a palm tree lined road. The first building on your left is the Geography Department.
